## DAY 4: Friday, 10 December – EXPERIENCE DAY IN LITHUANIAN SEA MUSEUM

10:00 –

**Lithuanian sea museum educational technologies “Taste. Feel. Experience”**

13:00 –

The Lithuanian Sea Museum is one of the most popular museums in Lithuania. The Museum collects, keeps, explores, preserves, restores and promotes museum valuables reflecting the history of navigation of Lithuania and the diversity of marine nature. Diverse expositions are arranged using the state-of-art technologies and modern ways of conveying information. This is also a multifunctional educational and research centre, where national and international projects are implemented, youth education activities and scientific activities are cared out. Participants will be invited to explore state-of-art technologies used by Lithuanian sea museum educators.
